

TAMARAI

from thamarai – tamil/chettinad for lotus

The lotus, a symbol of the sun, of creation and rejuvenation is considered to be the first flower to appear on earth and is intrinsic to the folklore of some of the world's ancient civilizations. Symbolising the eight-fold path to enlightenment in Buddhism, as well as in Hindu mythology, the lotus is a form that has inspired art and emotion through the ages.

It is the design and cuisine inspiration for TAMARAI. Following the 19th century of trading route of the Chettians from Chettinad in South India, the Tamarai chefs have incorporated dishes from the lotus trail encompassing Chettinad, Burma, China, Thailand, Vietnam, Singapore and Malaysia.

Our drinks list has been created to take you on a journey that brings to life the exotic character of the Lotus Trail. If, after exploring the various sections, you can't find a drink you like, please let your server know and we will create something special for you.

The list has been divided into several sections. We have a Fusion selection featuring Asian flavours and some traditional offerings too. The Twisted Classics too each feature a unique Tamarai twist.

To complete the list we have an interesting After Dinner selection and a special mocktail menu. Do take time to peruse our extensive wine list too.
